

↪ PATHWAYS IN MECHATRONICS

- Select a pathway training option
- Follow scheduled courses, complete, pass and receive certificate

Hydraulics Technician

Technical Math & Blueprint Reading
Hydraulics Fundamentals

Entry Level Electrician

Technical Math & Blueprint Reading
DC Fundamentals
AC Fundamentals
Electromechanical Devices
DC/AC Motor Control

Robotics Technician

Technical Math & Blueprint Reading
DC Fundamentals
AC Fundamentals
Electromechanical Devices
Robotics Fundamentals

PLC Technician

Technical Math & Blueprint Reading
DC Fundamentals
AC Fundamentals
Electromechanical Devices
Introduction to PLC

Pneumatic Technician

Technical Math & Blueprint Reading
Pneumatic Fundamental

PLC Programmer

Technical Math & Blueprint Reading
DC Fundamentals
AC Fundamentals
Electromechanical Devices
DC/AC Motor Control
Introduction to PLC
Intermediate PLC
Advanced PLC

Mechatronics Technician

Technical Math & Blueprint Reading
DC Fundamentals
AC Fundamentals
Electromechanical Devices
DC/AC Motor Control
Hydraulics Fundamentals
Pneumatic Fundamentals
Mechanical drives
Introduction to PLC
Robotics Fundamentals
Integrated System Troubleshooting
